

ECAAS 

European Congress on Applied Animal Science

# The Scientific Freedom Competition

by

*Prof. dr hab. Tadeusz Szulc dr h.c.  
multi*

for Young Researchers

# About The Scientific Freedom Competition

The Competition is organized by VERUS - The Animal Breeders and The Producers of Agri-Food Sector Association.

Is organized during the cyclical event The European Congress on Applied Animal Sciences (ECAAS)

Addressed to young researchers

# The goal

The competition aims to distinguish valuable and interesting scientific works in which young, talented scientists participate or are led.

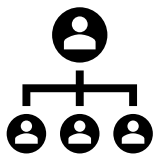

# The Competition is open to participants:

under 26 years of age

being students on the day of sending the application form

who are members of the Student's Scientific Associations or science team members who were responsible for the project realization

# Application for the Competition

Please send your  
applications to the  
following e-mail address:  
**congress.ecaas@gmail.com**

The application and a  
project summary form  
must be sent in English  
by February 20th

The best scientific  
project will be selected  
by the Committee  
representing the  
Organizer of the event

# Why you should participate?

The member presenting the competition project will be exempted from the registration fee ECAAS Congress.

The winners receive a **prestigious award, valuable material prizes, and free admission** to the next edition of ECAAS 2024

The Committee will settle the competition, and the prizes will be awarded during the ECAAS Congress on April 13, 2023 (Thursday).

# How to prepare a presentation

include:

list of people participating in the research work and the head of the research team with an affiliation

the Project background and the justification of the selection

the resources and methods used in the Project

results subjected to statistical analysis

main conclusions

The additional elements:

the source of the research funding

reports and scientific publications as an effect of the competition studies

**We strongly encourage you to  
participate in the Competition!**

See you in Wrocław during the ECAAS  
Congress.
