

Ladies and Gentlemen,

On behalf of the Organizing Committee of the 1st European Conference on Applied Animal Sciences, I have the honor to invite you to participate in this event. The congress is directed to veterinarians, scientists, producers of the agri-food sector, and students. The program includes three main thematic panels, i.e., (I) Animal health and welfare, (II) Animal production and food safety, and (III) Assisted reproduction. The event provides for the participation of about 200 people from Poland and Europe, including representatives of the national government. **Registration for the Congress, which will take place from 27 to 30 September 2022 in Wroclaw (Novotel Centrum Hotel) will start on March 1.** Information about the event will appear on the congress website, universities websites (UPWr, USC, IPVC), social media, trade magazines, and other media platforms at the end of February this year.

We encourage you **to take part** not only **as participants**, but also **as exhibitors, sponsors, and / or partners**. Below you will find the detailed conditions of participation. We are waiting for your questions.
